

**MINUTES OF THE MEETING IN THE OFFICE CHAMBER OF
COLLECTOR, JAJPUR ON INFRASTRUCTURE PROJECTS
ON DT. 02.12.2013**

The meeting was held under the Chairmanship of Collector & District Magistrate, Jajpur. The attendance sheet is enclosed.

The role, function and financial assistance given by OUIDF to meet the need of infrastructure projects having environmental impact was explained at length to all the officials of the District. Besides, the possible environmental related projects taking the experience of other ULBs was also informed to the Collector, ADM, Executive Officers of Jajpur & Jajpur Road Municipalities as well as other District Level functionaries.

After a compressive discussion, Collector highlighted the urgent need of the following projects which should be taken of on priority basis by Jajpur Municipality and Vyasaganar Municipality with funding support of OUIDF.

1. Solid Waste Management Projects to caterer to the need of both the Municipalities (Jajpur Town & Jajpur Road). Collector desired that DPR should be prepared for this project.
2. Slaughter house at Jajpur Town & Jajpur Road.
3. Electric Crematorium at Jajpur Town & Jajpur Road.
4. Renovation and development of Vyasa Sarobar at Jajpur Road and Kusum Pokhari at Jajpur Town creating pollution and environmental hazards/pollutions.
5. Bio-Medical waste Management Projects for Jajpur Town and Jajpur Road to process for effective disposal of highly infectious and environmental polluting wastes.
6. Multi layer parking space at Jajpur Town.
7. City Bus Service between Jajpur Town & Jajpur Road – Collector emphasized the need of City Bus service as the existing vehicles operating at the moment are extremely old and in fact most of them need to be phased out as there are causing huge pollution. This is a very important projects.
8. Collector advised Executive Officer of Jajpur & Jajpur Road Municipality to prepare a small concept paper on each project mentioned above and submit the same to Housing & Urban Development Department with a copy to OUIDF under his signature.

The Sewerage and Drainage project is being implemented at the moment through Sewerage Board. Similarly the water supply project is also being taken up with Govt. of Odisha funding support.

The meeting ended with a vote of Thanks to the Chair & Other members.
